-  Many activities

*Divava Okavango Resort & Spa, where luxury and wilderness collide  
creating a surreal experience on the banks of the Okavango River*

Divava Okavango Resort & Spa perched on the banks of the Okavango River renders 20 luxury air-conditioned, spacious chalets with large decks providing front row seats for the magnificent wildlife show. Encounter fine dining surrounded by elegant style and luxury.

Step out of luxury into wilderness for that breathtaking, once in a life time, experience. Visit the local Namibian cultures as they invite you to share their world for just a moment. Experience visual encounters with game and wildlife on our game drive vehicles in the nearby Mahango National Park or simply enjoy the magnificent sundowner boat cruise sharing close encounters with hippos, crocodiles and the numerous bird species in the surroundings.

## *The Rooms*

The chalets are located on a high riverbank, giving you an incredible overview over the Okavango River. Each chalet offers large, comfortable beds enclosed with stylish mosquito nets, mini bar, coffee/tea facilities and air-conditioning. The large en-suite bathroom sports a large bath tub, separate shower and separate WC as well as an outdoor shower for the nature experience.

## *The Spa*

Divava's Spa is one of the highlights during your stay. The strategically planned treatment rooms ensure privacy and the most incredible view, while being pampered with an array of treatments from the standard back & neck -, hot stone - massages, to body wraps, scrubs and thalasso. Let off some steam in the steam room and cool off in the refreshing swimming pool afterwards.
